- Choose the country you're paying from and enter your payment details.
  - Choose your preferred payment method.
  - Enter student details and confirm who is making the payment.

3 **Make payment**  
Complete your payment transaction:

- **Card:** the simplest way to pay your NGN fees is to use a VISA card through the Convera platform\*.
- **Bank transfer (includes Form A process):** select an alternative currency from the list and receive payment instructions for online banking, or paying direct through your bank. This option allows you to contact your bank and follow the CBN Form A process to make your payment.

4 **Track it**  
Track your payment status by email and SMS (data rates may apply).

Please note: If you make a payment by bank transfer, then payment tracking may not be available due to limitations of the Form A process. Providing you have completed the payment process, your funds will be received by Convera and transferred to your institution.

\*Please note, if the payer has tried to complete a transaction using a Visa card but the payment has been declined, this may be due to transaction limits set by the payer's bank or card provider. In this case, the payer should reach out to their bank or card provider to notify them of this payment and ask for their limits to be adjusted. Alternatively, the payer could make multiple payments under your transaction limit.
